- Project Management (Agile)
- UI/UX Design/Development & Graphic Design.
- Web Design & Development
- System/Software Development (Front-end Dev)
- Microsoft Office Suit
- Data Entry/Capturing (SAP/ERP)

## LANGUAGES

- English (Fluent)
- German (Beginner A2)
- Shona (Native)

## PROFILE

Recent Software Engineering graduate (BSc Hons, University of Zimbabwe, Sept 2024) with a strong foundation in web development, UI/UX, and IT support. Awarded Best Project for research on optimizing cryptographic algorithms for secure communication. Skilled in frontend technologies, graphic design, and Microsoft Office Suite, with certifications in Cloud Computing and Agile Project Management, and eager to apply technical expertise, innovative problem-solving skills, and a continuous learning mindset in hands-on IT and Software Engineering roles.

## EDUCATION

**BSc Hons in Software Engineering** 2020 - 2024  
| University of Zimbabwe

**Grade:** 2.1

**Thesis Project:** "Evaluation and Optimization of NTRU Lattice-Based Cryptographic Algorithm for Secure Communication in a Chatting Website Simulation. (Field of Research: Cyber Security - Web-based System)"

**Achievement:** Awarded the Degree with "The Best Project Award"

**Diploma in Applied IT - Software Engineering** 2018 - 2020  
| University of Zimbabwe

**Grade:** 2.1 (Merit)

**PROJECT:** "Farm Record System (programming language: C++)"

**Certificate in Applied IT- Software Engineering** 2017  
| University of Zimbabwe

**Grade:** 2.2 (Pass)

**PROJECT:** "ECD System (programming language: C)"

**A' Level** 2014  
ZIMSEC | All Soul High School  
**3 Subjects Passes:** 7 Points (History, Geography, Divinity)

**O' Level** 2012 & 2015  
ZIMSEC | St. Phillips Secondary [2012] & Mhangura Secondary [2015]  
**7 Subjects Passed:** C or Better (including Maths, English & Science)

## CERTIFICATIONS

### AWS Educate Certificate

- Cloud Computing 101 (2025)

### HP LIFE Certificate

- Agile Project Management (2024)

### WHO Certificate

- Quality Rights Training (2021)

### Africa Agility

- Data Analytics (2025)

## LICENSES

### Driver's License

- Class 4

## PROJECTS

A selection of my recent work (10+ projects: complete, confidential, and conceptual) is showcased at:

<https://fidelmudzamba.vercel.app/#portfolio>

### Brief List on some of the Projects:

- German with Shaelle
- Wolferonic SwiftBudget
- Solar System Calculator
- AquaVerse
- Anchor Mobile Bar
- Etherveil (Web Game)

**NB-:** 6+ More Projects on portfolio.

## WORK EXPERIENCE <sup>1</sup>

DEC 2024 - PRESENT

### Wolferonic (Personal Brand)

Freelancing/Self-Employed

- Designed and developed responsive websites with modern UI/UX principles, ensuring mobile-first design and cross-browser compatibility.
- Created branding materials including logos, posters, and digital graphics tailored to client needs.
- Provided IT support services such as troubleshooting, system optimization, and basic networking assistance for individuals and small businesses.
- Engaged in end-to-end project management including client consultation, requirement gathering, prototyping, development, and deployment.
- Maintained strong client relationships by delivering timely updates, technical support, and after-service consultations.

SEPT 2025 - NOV 2025

### Kuattro

Data Capturing/Entry

- Captured, verified, and updated data in SAP Business One ERP, ensuring accuracy and completeness.
- Conducted regular validation checks and corrected discrepancies in reports and source documents.
- Organized and maintained digital and physical records for quick access and retrieval.
- Prepared data summaries and reports to support management decisions.
- Ensured confidentiality and collaborated across departments for timely data submission.

FEB 2023 - AUG 2023

### University of Zimbabwe (Research & Innovation Dpt.)

Software/System Dev Intern

- Contributed to the development of a Car Park Registry and Management Monitoring System (CPRAMMS) using Svelte, Tailwind CSS, and Pocket-Base to deployment stage.
- Designed user-friendly interfaces and optimized user experience through UI/UX design using Lunacy (Story Boarding, Wireframing, Prototyping).
- Collaborated in an Agile team environment, ensuring quality control through unit and system testing.
- Semi-Supervised project management using Agile methods and Prototyping.
- Unit Testing & Quality Assurance.

**Internship Project:** "Car Park Registry and Management Monitoring System (CPRAMMS)"

## FAMILIAR WITH:

- SAP Business ONE (ERP system)
- Digital Electronic Design
- Remote Desktop
- Canva, Figma & Lunacy
- Basic Digital Marketing
- Foundation DevOps & Cloud Computing
- Data Visualization
- Power BI
- Foundation Cyber Security
- Basic Network Engineering
- General Data Analytics
